Part 2 Magazine Titles - Sorted by topic

This list is to help you find other magazines on the same topic. Periodicals (magazines) are located at .06 or there general topic in our collection. Please check the DVD's as well since we have some older (early 1900's) magazines in PDF on DVD's, like Handycrafter 1928-1933. We also have some ongoing subscriptions (*). We are always interested in donations to fill holes in the collection.

When we became a guild, the Library's first purchase was a subscription to Loom Music, which you can still enjoy today. Members may borrow up to four library items from one meeting to the next. Non-Members cannot borrow material but may arrange to research or read in the library is open. Please view the calendar on our web page or contact the librarians for library days. **(During covid restrictions and modified library use please keep checking the Web site, Facebook page or contact the librarians)**
